## SUMMARY

*I'm a Frontend Developer with expertise in **React, Next.js, TypeScript, and Tailwind CSS, and WordPress**, passionate about creating fast, responsive, and user-friendly web applications. I've built and deployed **15+ web projects**, improving performance, accessibility, and user engagement. My work has contributed to **40% faster load times** and higher client satisfaction through clean, scalable code. I thrive at the intersection of design and functionality, turning ideas into seamless digital experiences.*
